

WOGI Summer Institute

How do we implement the new Florida Frameworks for K-12 Gifted Learners?

Make plans to join us at the Institute. Don't miss this exciting opportunity. Your copy of the **K-12 Frameworks** will be available and the **Task Force Members** will provide valuable guidance on effective implementation. Be sure to bring your copy of **The Parallel Curriculum in the Classroom, Book 2**, given at last year's Institute.

You will also receive a copy of the newly revised Creativity Endorsement Module. **Denise Bishop** and **Dr. Patty Gatto Walden** will share their insights about parent perceptions related to raising gifted children compiled from the regional workshops conducted throughout the state. Representatives from pilot districts will be reporting on the progress to date on their newly implemented practices and/or procedures in screening developed to address disproportionality in their gifted programs. This is a wonderful opportunity to share what works for you, receive new materials from the project, learn what others in the state are doing, and consider coming on board for a pilot for next year!

Special Information: WOGI grant funding is available to pay for one room for two nights lodging at the Renaissance Resort in the World Golf Village in St. Augustine for a participant from each district. Please determine who will act as the representative from your district then follow these instructions:

- Register for the WOGI Institute with **Laurel Stanley** on or before **May 15, 2007**. (*Note that Laurel's e-mail address, telephone and fax numbers are listed below.*)
- Make your own hotel reservations with the **World Golf Village by May 15**. Be sure to mention that you are with the WOGI Institute to ensure the reservation is booked under the WOGI group rate. At check-out on Monday the cost of one hotel room will be paid from the Institute's master account. Additional rooms or additional nights are available for a rate of \$109.
